- few radiators remaining so please check stock - approximately 7 - 10 working days delivery
- please be aware, this radiator acts as a convector heater, and emits heat from the space at the top of the radiator between the wall and the rear of the radiator as opposed to the front panel. for this reason, the radiator has a low surface temperature
- 25mm gap from wall to rear of radiator on all outline models
- distance wall to front face: 95mm deep - 120mm
- underside valve connections
- nationwide delivery available – FREE OF CHARGE TO MOST UK MAINLAND ADDRESSES
- to complete the look see our valves page (valves are not included as standard)
- to order or for further information, please call or email
- heat outputs are shown at operating temperatures of 90/70/20 ($\Delta t 60^{\circ}\text{C}$)
- all sales are subject to our standard terms and conditions a copy of which is available on request

the above prices are exclusive of VAT
