

feature radiators

DANSK flat panel radiator

price list with effect from 7th May 2010

Elegant minimalism. The clean simple design of the Dansk flat panel radiator squares up to modern and traditional interiors, with its practical and unobtrusive style. Finished to the highest standard, these radiators ooze quality and high spec. Dansk will disappear into white walls or sit pretty against contrasting backgrounds. With a range of vertical and horizontal sizes, these are popular for use throughout the house.

central heating radiators - horizontal

model	height (mm)	width (mm)	output watts / btu		white £
Dansk 50-80	500	800	748	2550	362

Dansk 180-50	1800	500	1296	4419	588

- all sizes in white (ral 9010): usually in stock in the UK
- made of steel
- distance from wall to front face: 70mm
- vertical models: underside valve connections / horizontal models: side valve connections, so add an extra 150mm to the width of the radiator to allow for valves (these are not the pipe centre measurements)
- approximate pipe centre measurements can be provided if you wish to install your pipework in advance of receiving your radiator.
- radiators are supplied with the necessary fixings i.e. brackets, spacers, air vents etc (note: screws are not supplied)
- to complete the look see our valves page (valves are not included as standard)
- nationwide delivery available - usually £25 per consignment
- to order or for further information, please call or email
- heat outputs are shown at operating temperatures of 90/70/20 (At60°C)
- all sales are subject to our standard terms and conditions a copy of which can be downloaded from our website

the above prices are exclusive of VAT
