**all our zephyrs come with stainless steel square elbow adaptors (90MF) to provide a choice of side, underside or rear valve connections**

- sizes shown in bold should be in stock in the UK / all other sizes shown are usually special order (non-stock): approx 8 – 10 weeks
- made of stainless steel
- \*radiator is brushed all over except for a part of the bracket
- # model – slightly different to those pictured above, please ask for more details
- **\*\*the polished models are polished all over except the back of the radiator, which is in a brushed finish**
- standard flat tube dimensions: 40mm x 10mm
- to complete the look see our valves page (valves are not included as standard) - for manual valves, we recommend minimus valves @ £25
- distance from wall to front face: 110mm
- approximate pipe centres can be provided if you wish to install your pipework in advance of receiving your radiator. radiators are supplied with the necessary fixings i.e. brackets, spacers, air vents etc (note: screws are not supplied)
- nationwide delivery available – usually £25 per consignment
- heat outputs are shown at operating temperatures of 90/70/20 (At60°C)
- all sales are subject to our standard terms and conditions a copy of which can be downloaded from our website

**the above prices are exclusive of VAT**
