## HAUS – affordability without compromise

price list with effect from 14<sup>th</sup> June 2010

type 22 – double panel with a double convector

German made Haus delivers flexibility, quality and value for money. This range is a popular choice for use throughout the house or for just those rooms where smooth minimal design is required. Our experts selected Haus, for its unrivalled quality, strength and flawless finish. Head and shoulders above the look-a-likes, Haus has been awarded the prestigious European "RAL Steel Radiator Quality Mark" for quality assurance.
