feature radiators

- can be mounted horizontally or vertically – please specify on order
- sizes shown in bold should be in stock in the UK / all other sizes shown are usually special order (non-stock): approx 8 – 10 weeks
- when fitted vertically: side valve connections, add an extra 150mm to the width of the radiator to allow for valves (these are not pipe centres)
- when fitted horizontally: underside valve connections
- distance from wall to front face: 120-130mm
- radiators are supplied with the necessary fixings i.e. brackets, spacers, air vents etc (note: screws are not supplied)
- to complete the look see our valves page (valves are not included as standard) - for manual valves, we recommend minimus valves @ £25
- nationwide delivery available – usually £25 per consignment
- to order or for further information, please call or email
- heat outputs are shown at operating temperatures of 90/70/20 ($\Delta t 60^{\circ}\text{C}$)
- all sales are subject to our standard terms and conditions a copy of which can be downloaded from our website

the above prices are exclusive of VAT
