17	1407	2548	8653	511	737

shorter height also available by special order. please ask for details

Finishes

- Available in *matt metallic finishes* (antique gold, light old penny, dark old penny, natural cast iron, anthracite, pewter) and a selection of *semi-gloss finishes* (some RAL colours, gun metal and black). Colour cards available on request.
- Shade variations may occur from one paint batch to the next and over the years our standard for some colours (including anthracite) has changed. Accordingly, where radiators are to be used in the same room and/or a colour match is important, it is advisable to order all radiators at the same time. If you are looking to match the colour of radiators ordered previously, please disclose this at the time of order, so we can do what we can to minimize the variation in shade.
- Warning: please be aware that pewter, white, cream and other light coloured paint finishes highlight the imperfections characteristic of cast iron more than the darker colours.
- Primer finish available for on site painting or we can deliver direct to your own painter in the UK. We strongly advise against powder coating this product as this process can weaken the seals between sections. Powder coating will invalidate the manufacturer's guarantee.
- These radiators have a textured finish which is characteristic of cast iron. If you are looking for a column style radiator with a smooth finish please see our Classic and Bordo ranges, which are made of steel.

- Approximate pipe centres can be provided if you wish to install your pipework in advance of receiving your radiator. these measurements are intended as a rough guide only
- Radiators are supplied with the necessary fixings i.e. brackets, spacers, air vents etc (note: screws are not supplied)
- To complete the look see our valves page for traditional style valves (valves are not included as standard)
- Nationwide delivery available – usually £25 per consignment
- Heat outputs are shown at operating temperatures of 90/70/20 ($\Delta t 60^{\circ}\text{C}$)
- All sales are subject to our standard terms and conditions

these prices are exclusive of vat
