Gainsborough Traditional Style Ball-Jointed Towel Radiators

price list with effect from 26th May 2010

Gainsborough – OG009B

Joint detail

Pure quality and classic styling. The Gainsborough ball jointed towel radiator is a welcome addition to any bathroom bringing warmth and space to hang your towels. All Gainsborough radiators are hand finished in the UK, made from high quality materials and are tested rigorously. All our ball-jointed radiators are made of solid brass and coated with chrome (other metal finishes by special order). We also offer a first rate bespoke service. These radiators are central heating as standard, but are also available in dual fuel and electric versions*. #as pictured
